

The NC State Nanofabrication Facility (NNF) and Analytical Instrumentation Facility (AIF) are pleased to offer a short course entitled

Fabrication of Wide Bandgap Power Devices

Sponsored by  POWERAMERICA

Includes hands-on lab demonstrations, technical lectures, and a keynote seminar

April 7-8, 2020

This two-day short course will be held at the Monteith Research Center on NC State's Centennial Campus.

There is no cost to attend, but registration is mandatory. Please visit go.ncsu.edu/wbg_april to register by March 31.
